

About Us:

LOYOLA INTERNATIONAL PUBLIC SCHOOL (LIPS).

The acronym of our beloved school is LIPS;
We'll praise it every day with our innocent lips.
It is really an honour and privilege to study here;
Let those who have sound ears to hear, hear.

To have a school of such calibre is a great blessing;
Let's beseech God to shower on us many a blessing
So that we may bring great glory to our school Loyola
As was done to God by our patron, St Ignatius Loyola.

May our patron saint fervently intercede for us all;
And obtain God's blessings for great and small.
We have excellent patrons and staff members to groom;
Sooner than later we are bound to blossom and bloom.

We are proud of our school's name;
And we pledge to spread its fame.
We'll follow the example of our patron;
Away from life's challenges we'll not run.

Our school's motto is: Educate and Elevate;
Our aim is to become unique, not a duplicate
Thus becoming aware of all our potentials
And blossoming into our true selves.

The very name "Loyola" stands for "magis", excellence
And immediately invokes great regard and reverence;
We're privileged to work and study in this great
institution.
And it'll be readily so acknowledged by those with
intuition.

In Loyola Int'l Public School we are of a new breed;
No discrimination on account of caste or creed.
Among us there is no high and low;
All are spurred on to shine and glow.

It's like the proverbial mustard seed at the moment;
But it has already attracted a lot of very good talent;
We are sure that it'll sprout and grow into a giant tree
Enveloping and embracing soon all and sundry.

What a privilege it is to have such a school in
Sindalachery!
The people in and around it need no more have any
worry
To impart top class quality education to their wards
As Loyola school will take care of it here afterwards.

Blessed are the eyes that behold such beautiful scenery;
Our school is surrounded by verdant greenery;
We have the high and mighty Western Ghats on our
west;
There are enchanting hillocks on the south, north and
east.

We warmly welcome one and all into our reputed
institution
Where the emphasis is not merely on giving information
But on inculcating and imparting healthy character-
formation
Which is, to us, the very basis and purpose of good
education.
